

ROANOKE VALLEY FAMILIES NEED YOUR HELP!

DID YOU KNOW?

- Diapers are a key basic need for babies and toddlers, yet nearly **1 in 3 families in America struggle to afford diapers**
- Diaper purchases are **not covered** by SNAP (food stamps), Medicaid, or WIC
- Diapers cost on average \$80 a month per child, or **nearly \$1,000 a year**

You can help build a strong, healthy foundation for local kids by donating new or opened packs of disposable diapers to FABB Roanoke!

For every pack you donate, you'll be entered into a **raffle giveaway!**
